Caleb: Just found out today my dad's brother died.
Caleb: I never knew him.
Caleb: AMA.
me: why was he treated less than dog?
Caleb: 'less then dog,' fool.
Caleb: And I really did just find out my dad's brother died.
Caleb: Think I might have to buy a six-pack to get through the night.
me: yeah, I don't care
Caleb: I think this family tragedy just might compel me to go get uncharacteristically drunk.
Caleb: Because, see, I care so much.
Caleb: See?
Caleb: See?
me: OKAY
